## INDEPENDENT AUDITOR'S REPORT

To,  
The Members of  
Ashoka DSC Katni Bypass Road Limited  
Nashik

### Report on the standalone Financial Statements

#### Opinion

We have audited the accompanying Ind AS financial statements of Ashoka DSC Katni Bypass Road Limited ("the Company") which comprises the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended March 31, 2023 and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, Profit/Loss, Changes in Equity and its Cash Flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, Changes in Equity and Cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

#### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure 'A'" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in the "Annexure 'B'" and

(B) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- a. The Company does not have any pending litigations filed against the company which would impact its financial position except as reported in Note No. 1.01 on toll collection in the financial statements in its Ind AS Financial Statements.

  - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
  - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.(ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
  - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
  - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and(iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (d) (i) and (d) (ii) contain any material mis-statement.
- e. As per Section 123 of the Act, Company has not declared or paid dividend during the year.

(C) With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

- According to the provisions of Section 197 of the Act, No remuneration paid by the Company to its directors during the current year.

### Annexure - B to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act') .We have audited the internal financial controls over financial reporting of Ashoka DSC Katni Bypass Road Limited ("the Company"), as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for the Internal Financial Control**

The Companies management is responsible for establishing and maintaining Internal Financial Controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control over Financial Reporting ( the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Company's Internal Financial Controls System over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## COMPANY OVERVIEW :

The Ashoka DSC Katni Bypass Road Ltd., is a Special Purpose Vehicle incorporated on 13th August, 2002 under the provisions of the Companies Act, 1956. In pursuance of the contract with the Ministry of Road Transport & Highways Government of India New Delhi, to design, engineer, finance, construct and maintain Katni Bypass from 361 km to 378 km in the state of Madhya Pradesh on Build, Operate and Transfer (BOT) basis, The said BOT contract does not make the Company owner of the road but entitles it to "Toll Collection Rights" in exchange of the construction cost incurred while constructing the road. The concession period is 12 years including construction period of 540 days. The construction of the entire project has been sub-contracted to the holding company, viz. Ashoka Buildcon Ltd, as an EPC contractor.

## Note -1 - Significant Accounting Policies:

## 1.01 Note on Toll Collection :

The Company is an infrastructure developer cum operator for the infrastructure facility of Katni Bypass Road, on BOT (toll) basis. In pursuance to the Concession Agreement entered into with the Ministry of Road Transport & Highways (MORTH), the Company was allowed to collect toll up to 16.09.2014, by issue of Notification dt. 22.02.2008. However, on account of various claims against MORTH, in relation to the project of Katni Bypass Road Project, decided in favour of the Company by the Arbitral Tribunal, the Delhi High Court passed an interim Order on 12.09.2014, with respect to one of the claim amounts, being against Claim No. 3, permitting assessee to collect toll up to 22.02.2020, subject to certain terms & conditions (including the requirement relating to keeping of 50% of toll collection in FDR with the Bank, remaining in force till the Delhi High Court Order dt. 22.12.2017) & also subject to the decision of the Delhi High Court, on application by the MORTH u/s 34 of the Arbitration & Reconciliation Act. This toll collection period was further extended up to 18.03.2020, by the Order dt.19.02.2020 of the Director General (Road Development) & SS, MORTH, to reimburse the loss arising on account of demonetization, subject to the decision on the said application u/s 34 of the Arbitration & Reconciliation Act. Thereafter, by the Order dt. 12.03.2020 r.w. the Order dt. 04.03.2020 of the Delhi High Court, Company was permitted to continue toll collection after 18.03.2020, with respect to another claim amount, being against Claim No. 1(c), subject to certain terms & conditions & subject to the decision on the said application u/ 34.

Accordingly, the company collected tolls up to 17.08.2022. Such toll collection for the F.Y. 01.04.2022 to 17.08.2022 amounted to ₹.8,87,92,825/- & the interest on bank FDRs, made out of toll collection in compliance to the Delhi High Court Interim Order dt. 12.09.2014, amounted to ₹. 4,40,97,758/-, for the F.Y. 2022-23. In the financial accounts prepared by the Company, by applying the provisions of the IND AS, both said items of income are not recognized as revenue for the year, since under the facts of the case, these items of revenue did not meet the criterion of high probability of significant reversal in the amount of revenue recognized will not occur when the uncertainty associated with the claim is subsequently resolved, as envisaged under IND AS 37. Accordingly, in accounts, such accumulated toll collection, post 16.09.2014 & the interest on connected FDRs, is consistently treated as liability & is disclosed in the company's balance sheet after the reduction of FDRs made in pursuance to the Delhi High Court Order dt. 12.09.2014 & the reinvested amount of interest accrued thereon. The aggregate amount of such toll collection, as of 31.03.2023, amounted to ₹.159,57,54,962/-, the aggregate amount of interest on connected FDRs amounted to ₹.31,69,51,376/- & the corresponding FDRs made, inclusive of the reinvested amount of interest on such FDRs, amounted to ₹.94,37,54,041/-. In order to resolve the matter company has approached the Conciliation Committee. The hearing/Submissions are in progress before the Conciliation Committee. The matter is pending before the Conciliation Committee and the final outcome of the same is expected shortly.

Toll Collection under disputes includes the amount of ₹ 2457.23 Lakh which company has offered / agreed to pay to authority in conciliation proceeding out of total toll collection of ₹ 15957.55 Lakh. As the complete toll collection is shown as liability, this settlement amount is not booked separately as liability.

## 1.02 Compliance with Ind AS :

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

These financial statements include Balance sheet, Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash flows and notes, comprising a summary of significant accounting policies and other explanatory information and comparative information in respect of the preceding period.

## 1.03 Basis of Accounting :

The Company maintains its accounts on accrual basis following the historical cost convention except certain financial instruments that are measured at fair values in accordance with Ind AS.

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- ▶ Level 1 - inputs are quoted prices in active markets for identical assets or liabilities that entity can access at measurement date
- ▶ Level 2 - inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- ▶ Level 3 - inputs are unobservable inputs for the asset or liability

#### 1.04 Presentation of financial statements :

The financial statements (except Statement of Cash-flow) are prepared and presented in the format prescribed in Division II – IND AS Schedule III ("Schedule III") to the Companies Act, 2013.

The Statement of Cash Flow has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows".

Amounts in the financial statements are presented in Indian Rupees in Lakh in as per the requirements of Schedule III. "Per share" data is presented in Indian Rupees upto two decimals places

#### 1.05 CURRENT VERSUS NON-CURRENT CLASSIFICATION :

The assets and liabilities in the balance sheet are presented based on current/non-current classification.

An asset is current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle, or
- ▶ Held primarily for the purpose of trading, or
- ▶ Expected to be realised within twelve months after the reporting period, or
- ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

#### 1.06 Key Estimates & Assumptions :

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that impact the reported amount of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Difference between the actual and estimates are recognised in the period in which they actually materialise or are known. Any revision to accounting estimates is recognised prospectively. Management believes that the estimates used in preparation of Financial Statements are prudent and reasonable.

#### 1.07 Property, Plant and Equipment :

All items of property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any.

Cost includes cost of acquisition, installation or construction, other direct expenses incurred to bring the assets to its working condition and finance costs incurred up to the date the asset is ready for its intended use and excludes cenvat / value added tax eligible for credit / setoff.

Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the same are depreciated separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in the statement of profit or loss as incurred.

Property, plant and equipment are eliminated from financial statements, either on disposal or when retired from active use. Losses arising in the case of the retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

#### 1.08 Depreciation :

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Property, plant and equipment is provided on written down value method, over the useful life of the assets, as specified in Schedule II to the Companies Act, 2013. Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis.

The asset's residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1<sup>st</sup> April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

**Type of Asset with Useful Life**

Sr.No	Category of assets	Sub-category of assets	Useful life as per schedule II	Useful life adopted by the company
1	Plant and equipment	Crane	15	15
			15	15
2	Office and equipment		5	5
3	Computers and data processing equipment	End user devices	3	3
4	Vehicle	Two Wheeler,	8	8
			10	10

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1<sup>st</sup> April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

**1.09 Intangible assets****i) Intangible Assets Under Service concession Arrangements (Appendix A of "Ind AS 11 – Construction Contracts)**

In respect of Public to Private Arrangements (PPA), on a Built-Operate-Transfer (BOT) basis, Intangible Assets i.e. Right to collect toll/tariff are recognised when the company has been granted rights to charge a toll/tariff from the users of such public services and such rights do not confer an unconditional right on the company to receive cash or another Financial Asset and when it is probable that future economic benefits associated with the rights will flow to the Company and the cost of the asset can be measured reliably.

Arrangements where the company has an unconditional right to receive cash or another Financial Asset are recognised as Financial Assets and accounted as per Ind AS 109 – "Financial Instruments".

Service Concession Arrangements that meet the definition of an Intangible Asset are recognised at cumulative construction cost, including related margins. Till completion of construction of the project, such arrangements are recognised as "Intangible Assets Under Development" and are recognised at cumulative construction cost, including related margins.

**ii) Other Intangible assets**

Intangible assets are recognized when it is probable that future economic benefits attributable to the assets will flow to the Company and the cost of the asset can be measured reliably. Such Intangible Assets acquired by the Company are measured at cost less accumulated amortisation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition and installation of such assets.

**1.10 Amortisation**

i. Intangible Assets are amortized on Straight Line Method over the useful life of the asset / concession Period from the date of commencement of collection of Toll.

**1.11 Impairment of Non-Financial Assets**

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

**1.12 Financial instruments :****Initial Recognition**

Financial instruments i.e. Financial Assets and Financial Liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial instruments at fair value through profit or loss) are added to or deducted from the fair value of the financial instruments, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial instruments assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

**Subsequent Measurement****Financial Assets**

All recognised financial assets are subsequently measured at amortized cost using effective interest method except for financial assets carried at fair value through Profit and Loss (FVTPL) or fair value through other comprehensive income (FVOCI).

**Investment in preference shares**

Investment in preference shares are classified as debt instruments and carried at Amortised cost if they are not convertible into equity instruments and are not held to collect contractual cash flows. Other Investment in preference shares which are classified as Debt instruments are mandatorily carried at FVTPL.

**De-recognition**

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and with that a) the Company has transferred substantially all the risks and rewards of the asset, or b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

### **Impairment of financial assets**

The Company applies the expected credit loss model for recognising allowances for expected credit loss on financial assets measured at amortised cost. The Company uses a provision matrix to compute the expected credit loss on such financial assets. This matrix has been developed based on historical data as well as forward looking information pertaining to assessment of credit risk.

### **Financial Liabilities**

#### **Classification**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

#### **Subsequent measurement**

Loans and borrowings are subsequently measured at amortised cost using Effective Interest Rate (EIR), except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Amortisation arising on unwinding of the financial liabilities as per EIR is included as a part of Finance Costs in the Statement of Profit and Loss.

Financial liabilities recognised at FVTPL, including derivatives, are subsequently measured at fair value.

Preference shares issued is considered as a compound financial liability under borrowing. Preference shares were issued at premium, part of premium received on issue of preference capital, is to be considered as other equity which is over and above the present value of the redemption amount to be paid at given discounted rate.

#### **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

during the year the company had done early redumption of its put shares. at the preporinate redemption value and sthe same is charged under finacial charges the faire value adjustment

#### **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

#### **Re-classification of financial instruments**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets.

### **1.13 Revenue recognition :**

i. Income from toll collection is recognised on the basis of actual collections. The toll collection amount subsequent to expiry of Notification is under dispute accordingly the same is not recognised as income.

ii Other Income are considered on Accrual Basis.

iii The Company's claim for extra work, incentives and escalation in rates relating to execution of contracts are recognized as revenue in the year in which said claims are finally accepted by the clients. Claims under arbitration/disputes are accounted as income based on final award. Expenses on arbitration are accounted as incurred.

### **1.14 Cash Flow Statements :**

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with Investing or financing cash flows. The cash flow from operating, investing and financing activities of the company are segregated.

Cash and Cash Equivalents comprise of cash on hand and cash at bank including fixed deposit/highly liquid investments with original maturity period of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### **1.15 Cash and cash equivalents :**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

#### 1.16 Impairment of Assets :

The Management periodically assesses, using external and internal sources, where there is an indication that an asset may be impaired. Impairment occurs where the carrying value exceeds the present value of future cash flow expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Contingencies are recorded when it is probable that a liability will be incurred and the amount can be reasonably estimated. Differences between actual results and estimates are recognized in the periods in which the results are known / materialized.

#### 1.17 Borrowing Cost :

Borrowing Cost that are attributable to the acquisition or construction of qualifying fixed assets are capitalised as part of the cost of such assets. All other borrowing costs / Interest costs for during the year are charged to Profit & Loss A/c.

#### 1.18 Taxes on income :

- i. Tax expense Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss.
- ii. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.
- iii. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

#### 1.19 Retirement Benefits :

- i. Provision for liabilities in respect of leave encashment is made on the basis of an actuarial valuation payable/recoverable in respect of the taxable income/loss for the reporting year.
- ii. Provision for gratuity liability is made on the basis of actuarial valuation in respect of Group Gratuity Policy with an insurance company.
- iii. Provident Fund benefit to employees is provided for on accrual basis and charged to Profit and Loss Account of the year.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur.

- 1.20 The Company has given loans or advances in the nature of loans are granted to promoters, directors, KMPs and/ or related parties (as defined under Companies Act, 2013), either severally or jointly with any other person, that are repayable on demand, or (b) without specifying any terms or period of repayment.
- 1.21 No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- 1.22 There were no statement / returns required to be submitted to banks during the year in respect of borrowings from banks on the basis of security of current assets. As company does not have any borrowings from Bankers.
- 1.23 The Company has not been declared as wilful defaulter by any bank or financial institution or other lender.
- 1.24 The Company does not have any transactions with companies struck off under section 248 of the Companies Act, 2013 (as amended) or section 560 of Companies Act, 1956 (since repealed).

## Additional Statement Of Notes:

## Note 23 : Earnings Per Share :

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

## Note 28 : Segment information as required by Ind AS 108 are given below :

The Company is engaged in one business activity of Construction of Road on BOT basis and hence the segment reporting is not presented.

**Note 29 : Capital management :**

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence.

The Company monitors capital using a gearing ratio, which is net debt divided by total Capital plus Net debt is calculated as borrowing less cash and cash equivalent and other bank balances and mutual funds investments.

Particulars	(₹ In Lakhs)	
	As At 31-Mar-2023	As At 31-Mar-2022
Borrowings (refer note 10 )	-	-
Less: Cash and cash equivalents (refer note 7 )	5,171.91	4,307.01
<b>Net debt (A)</b>	<b>5,171.91</b>	<b>4,307.01</b>

<b>Gearing ratio (%) (A/B)</b>	<b>281.01%</b>	<b>583.58%</b>

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2023, year ended March 31 2022 and April 01 2022.

**Note 30 : Significant accounting judgement, estimates and assumptions :**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

**Estimates and assumptions**

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and future periods are affected.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is in respect of useful lives of property, plant and equipment, useful life of intangible assets, valuation of deferred tax assets, provisions and contingent liabilities. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**Note 31 : Events after reporting period :**

No subsequent event has been observed which may required on adjustment to the balance sheet.

**Note 32 : Previous year comparatives :**

Previous year's figures have been regrouped/reclassified, wherever necessary, to conform to current year classification.

Level 1 - The hierarchy in level 1 includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV declared by fund houses.

Level 2 - The fair value of financial instruments that are not traded in an active market (like investment in Preference Shares) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value as instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, etc. included in level 3.

There are no transfers between levels 1, 2 and 3 during the year.

**Financial risk management**

The company's activities expose it to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

**Note 34 : Financial risk management objectives and policies**

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

In performing its operating, investing and financing activities, the Company is exposed to the Market risk, Credit risk and Liquidity risk.

**Market Risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk:

Interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTOCI investments and derivative financial instruments.

The following table summarises the carrying amount of financial assets and liabilities recorded at the end of the year by categories:

**Carrying amount of Financial Assets and Liabilities:**

	(₹ In Lakhs)	
	March 31, 2023	March 31, 2022

Trade payables	-	3.30
<b>Total financial liabilities carried at amortised cost</b>	<b>9,634.69</b>	<b>8,760.39</b>

The sensitivity analyses in the following sections relate to the position as at March 31, 2023, March 31, 2022.

The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt and derivatives and the proportion of financial instruments in foreign currencies are all constant and in place at March 31, 2023.

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2023, March 31, 2022

**Financial instruments and cash deposits**

Credit risk from balances with banks and financial institutions is managed by the Company top management in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the top management on an annual basis, and may be updated throughout the year subject to approval of the Company's board of directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

**Interest Rate Risk :**

As infrastructure development and construction business is capital intensive, the company are exposed to interest rate risks. The company's infrastructure development and construction projects are funded to a large extent by debt and any increase in interest expense may have an adverse effect on our results of operations and financial condition. The company current debt facilities carry interest at variable rates with the provision for periodic reset of interest rates. As of March 31, 2021 the majority of the company indebtedness was subject to variable interest rates. In view of the high debt to equity ratios for the company's infrastructure development projects, an increase in interest expense is likely to have a significant adverse effect on financial results.

The interest rate risk exposure is mainly from changes in floating interest rates. The interest rate are disclosed in the respective notes to the financial statement of the Company. The following table analyse the breakdown of the financial assets and liabilities by type of interest rate:

	(₹ In Lakhs)	
	March 31, 2023	March 31, 2022

**Liquidity Risk :**

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

(₹ In Lakhs)
