### INDEPENDENT AUDITOR'S REPORT

To the Members of Ashoka Infrastructure Limited

#### Report on the Audit of the Financial Statements

##### Opinion

We have audited the accompanying financial statements of **Ashoka Infrastructure Limited** ("the Company"), which comprise the Balance sheet as at **March 31 2025**, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its Profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

##### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

##### Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibility of Management for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, a statement on the matters specified in paragraphs 3 and 4 of the Order, is given in "**Annexure A**".

  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
  - iv. a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;  
  
b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and  
  
c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
  - v. No dividend has been declared or paid during the year by the Company.
  - vi. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

According to the provisions of Section 197 of the Act, No remuneration paid by the Company to its directors during the current year.

- vii. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2025.

## **Annexure B to the Independent Auditor's Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of Ashoka Infrastructure Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these financial statements.

### Meaning of Internal Financial Controls With Reference to these Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls With Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

#### 1.03 Compliance with Ind AS :

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

These financial statements include Balance sheet, Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash flows and notes, comprising a summary of significant accounting policies and other explanatory information and comparative information in respect of the preceding period.

#### 1.04 Basis of Accounting :

The Company maintains its accounts on accrual basis following the historical cost convention except certain financial instruments that are measured at fair values in accordance with Ind AS.

Fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- ▶ Level 1 - inputs are quoted prices in active markets for identical assets or liabilities that entity can access at measurement date
- ▶ Level 2 - inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- ▶ Level 3 - inputs are unobservable inputs for the asset or liability

#### 1.05 Presentation of financial statements :

The financial statements (except Statement of Cash-flow) are prepared and presented in the format prescribed in Division II – IND AS Schedule III ("Schedule III") to the

The Statement of Cash Flow has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows".

Amounts in the financial statements are presented in Indian Rupees in Lakh in as per the requirements of Schedule III. "Per share" data is presented in Indian Rupees upto two decimals places.

#### 1.06 Current Versus Non-Current Classification :

The assets and liabilities in the balance sheet are presented based on current/non-current classification.

An asset is current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle, or
- ▶ Held primarily for the purpose of trading, or
- ▶ Expected to be realised within twelve months after the reporting period, or
- ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- ▶ Expected to be settled in normal operating cycle, or
- ▶ Held primarily for the purpose of trading, or
- ▶ Due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are treated as non-current.

#### 1.07 Key Estimates & Assumptions :

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions that impact the reported amount of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as on the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Difference between the actual and estimates are recognised in the period in which they actually materialise or are known. Any revision to accounting estimates is recognised prospectively. Management believes that the estimates used in preparation of Financial Statements are prudent and reasonable.

#### 1.08 Foreign Currency :

##### Functional and presentation currency

The financial statements of the Company are presented using Indian Rupee (Rs.), which is also our functional currency i.e. currency of the primary economic environment in which the company operates.

##### Transactions and balances

Foreign currency transactions are translated into the respective functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss. During the year any foreign currency transaction done by the Company.

#### 1.09 Property, Plant and Equipment (PPE) :

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All items of PPE are stated at cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment. Cost includes expenditure that is directly attributable to the acquisition and installation of such assets, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred.

Items such as spare parts and servicing equipment are recognised as PPE if they meet the definition of property, plant and equipment and are expected to be used during more than one year. All other items of spares and servicing equipments are classified as item of Inventories.

Assets individually costing less than Rs 5000/- are fully depreciated in the year of acquisition.

Property, plant and equipment are eliminated from financial statements, either on disposal or when retired from active use. Losses arising in the case of the retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss in the year of occurrence.

#### 1.10 Depreciation methods, estimated useful lives and residual value :

Depreciation has been provided on the written down value method, as per the useful lives specified in schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation and same has been carried out by the management's expert, in order to reflect the actual usage of the assets. The asset's useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period. The useful lives of PPE are as under:

The asset's residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. There is no depreciation on assets in current financial year, as the value of assets are standing at their Residual Value.

##### Type of Asset with Useful Life

Category of assets	Sub-category of assets	Useful life as per schedule II	Useful life adopted by the company
Plant and equipment	PSC Mould & RCC Pipe Mould, Concreting Equipment, Boiler, Crane, Gantry	15	15
	Staff Quarters Building	60	60
Building	Borewell at factory Place	5	5
	Internal Roads	3	3
Factory Building	Building	30	30
Computers and data processing equipment	End user devices	3	3
Furniture and Fixture	Furniture and Fixture	10	10
Vehicle	Motor cycles, scooter and other mopeds	10	10
Electrical installations	Electrical installations	10	10

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1<sup>st</sup> April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

#### 1.11 Impairment of Non-Financial Assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

## 1.12 Financial instruments :

### Initial Recognition

Financial instruments i.e. Financial Assets and Financial Liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial instruments at fair value through profit or loss) are added to or deducted from the fair value of the financial instruments, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial instruments assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

### Subsequent Measurement

#### **Financial Assets**

All recognised financial assets are subsequently measured at amortized cost using effective interest method except for financial assets carried at fair value through Profit and Loss (FVTPL) or fair value through other comprehensive income (FVOCI).

#### **Investment in preference shares**

Investment in preference shares are classified as debt instruments and carried at Amortised cost if they are not convertible into equity instruments and are not held to collect contractual cash flows. Other Investment in preference shares which are classified as Debt instruments are mandatorily carried at FVTPL.

### De-recognition

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired, or the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and with that a) the Company has transferred substantially all the risks and rewards of the asset, or b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

### Impairment of financial assets

The Company applies the expected credit loss model for recognising allowances for expected credit loss on financial assets measured at amortised cost. The Company uses a provision matrix to compute the expected credit loss on such financial assets. This matrix has been developed based on historical data as well as forward looking information pertaining to assessment of credit risk.

#### **Financial Liabilities**

#### **Classification**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

#### **Subsequent measurement**

Loans and borrowings are subsequently measured at amortised cost using Effective Interest Rate (EIR), except for financial liabilities at fair value through profit or loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Amortisation arising on unwinding of the financial liabilities as per EIR is included as a part of Finance Costs in the Statement of Profit and Loss.

Financial liabilities recognised at FVTPL, including derivatives, are subsequently measured at fair value.

Preference shares issued is considered as a compound financial liability under borrowing. Preference shares were issued at premium, part of premium received on issue of preference capital, is to be considered as other equity which is over and above the present value of the redemption amount to be paid at given discounted rate.

#### **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

#### **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

#### **Re-classification of financial instruments**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets.

## 1.13 Revenue recognition :

i) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Escalation and other claims, which are not ascertainable / acknowledged by customers, are not taken into account. Revenue is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

ii) Criteria for recognition of revenue are as under:

Other Income represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of

iii) Claims are recognized as revenue in the year in which said claims are finally accepted by the customers. Claims under arbitration/disputes are accounted as income based on final award and on its approval from customer/authority/court decision or its surety of receipt and not on its assessment. Legal and other Arbitration Expenses are accounted on the basis of agreed terms and necessary approvals. During the year company has received Rs.201.06 Cr (Including Interest of Rs.8.46 Crores) against claims, as the matter is sub judice and disputed, this amount is shown under long term liability.

#### 1.14 Inventories :

- i. Stock of land, plot, properties and rights attached to land are accounted for at lower of cost of acquisition or net realizable value.

#### 1.15 Cash and cash equivalents :

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

#### 1.16 Impairment of Assets :

The Management periodically assesses, using external and internal sources, where there is an indication that an asset may be impaired. Impairment occurs where the carrying value exceeds the present value of future cash flow expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sales price or present value as determined above. Contingencies are recorded when it is probable that a liability will be incurred and the amount can be reasonably estimated. Differences between actual results and estimates are recognized in the periods in which the results are known / materialized.

#### 1.17 Income Tax :

Income tax expense for the period is the tax payable on the current period's taxable income based on the applicable income tax rate and changes in deferred tax assets and liabilities attributable to temporary differences. The current income tax charge is calculated in accordance with the provisions of the Income Tax Act 1961.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted at the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognised for all deductible temporary differences and brought forward losses only if it is probable that future taxable profit will be available to realise the temporary differences.

Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

#### 1.18 Borrowing Cost :

- i. Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

- ii. Other borrowing costs are charged to Statement of Profit and Loss in the period in which they are incurred.

#### 1.19 Current Investments :

As per Ind AS 109, mutual fund investments needs to be stated at fair value. The Company has designated these investments at fair value through profit or loss (FVTPL).

#### 1.20 Provisions & Contingencies :

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events for which it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated as at the balance sheet date. Provisions are measured based on management's estimate required to settle the obligation at the balance sheet date and are discounted using a rate that reflects the time value of money. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. Information on contingent liabilities is disclosed in the notes to financial statements unless the possibility of an outflow of resources embodying economic benefit is remote.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

**Additional Statement Of Notes:**

**Note 22 : Earnings Per Share :**

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2025

**Note 27 : Significant accounting judgement, estimates and assumptions :**

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

**Estimates and assumptions**

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimates are revised and future periods are affected.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year is in respect of useful lives of property, plant and equipment, useful life of intangible assets, valuation of deferred tax assets, provisions and contingent liabilities. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**Note 28 : Events after reporting period :**

No subsequent event has been observed which may require an adjustment to the balance sheet.

**Note 29 : Previous year comparatives**

Previous year's figures have been regrouped/reclassified, wherever necessary, to conform to current year classification.

**Valuation technique used to determine fair value:**

Investments included in Level 1 of Fair Value Hierarchy are based on prices quoted in stock exchange and/or NAV declared by the Funds.

Investments included in Level 2 of Fair Value Hierarchy have been valued based on inputs from banks and other recognised institutions such as FIMMDA/FEDAI.

Investments included in Level 3 of Fair Value Hierarchy have been valued using acceptable valuation techniques such as Net Asset Value and/or Discounted Cash Flow Method.

**Note:** All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy described as above, based on the lowest level input that is significant to the fair value measurement as a whole.

**Note 32 : Financial risk management objectives and policies**

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company has exposure to the following risks arising from financial instruments:

- a) Credit risk:
- b) Liquidity risk: and
- c) Market risk:

**a) Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans and advances.

The exposure to credit risk for trade and other receivables by type of counterparty was as follows :

Financial assets Particulars	₹ In Lakh	
	As at March 31, 2025	As at March 31, 2024

<b>Total financial assets carried at amortised cost</b>	<b>695.43</b>	<b>0.43</b>

**b) Liquidity Risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company manages liquidity risk by having access to funding which is fully supported by committed loan from Holding Company. Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and financial liabilities including debt financing plans and maintenance of Balance Sheet liquidity ratios are considered while reviewing the liquidity position.

**c) Market Risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk:

- i. Currency risk  
Since the company's operation is exclusively in Indian Rupees, The company is not exposed to currency risk.
- i. Interest rate risk  
Since the company doesnot have any interest bearing borrowings, Thus the Company is not exposed to currency risk.
- ii. Other price risk such as Commodity risk and Equity price risk.
