INDEPENDENT AUDITOR'S REPORT

To
The Members of
Ashoka Bettadahalli Shivamogga Road Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the Financial Statements of Ashoka Bettadahalli Shivamogga Road Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of Statement of Material Accounting Policy Information and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, the Profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants ("ICAI") of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the Other Information. The other information comprises the information included in the Board's report, including the Directors Report but does not include the Financial Statements and our Independent Auditors' Report

Natvarlal Vepari & Co LLP

CHARTERED ACCOUNTANTS

E-Mail: nvc@nvc.in LLPIN: ACM-9656

thereon. Our opinion on the Financial Statements does not cover the Other Information and we do not and will not express any form of assurance or conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the Other Information identified above and, in doing so, consider whether the Other Information is materially inconsistent with the Financial Statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. The Other Information as aforesaid is expected to be made available to us after the date of this Auditor's Report.

Responsibilities of Management and those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material

Natvarlal Vepari & Co LLP

CHARTERED ACCOUNTANTS

(Formerly known as Natvarlal Vepari & Co.)

903-904, 9th Floor, Raheja Chambers, 213, Nariman Point, Mumbai-400 021. Tel: (91) (22) 67527100

E-Mail: nvc@nvc.in LLPIN: ACM-9656

misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Natvarlal Vepari & Co LLP

CHARTERED ACCOUNTANTS

(Formerly known as Natvarlal Vepari & Co.)

903-904, 9th Floor, Raheja Chambers, 213, Nariman Point, Mumbai-400 021. Tel: (91) (22) 67527100

E-Mail: nvc@nvc.in LLPIN: ACM-9656

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the attached Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid Financial Statements have been kept so far as it appears from our examination of those books except for the matters stated in paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on March 31, 2025, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With reference to maintenance of accounts and other matter therewith, reference is invited to paragraph 2(b) above on reporting under section 143(3)(b) and paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors)

Rules, 2014 as amended. With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Financial Statements.

- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: The Company has not paid any managerial remuneration during the year and hence we have no reporting under this clause.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements – Refer Note -28 to the Financial Statements,
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were material foreseeable losses,
 - iii. There has been no amount required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - (a) The management has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("intermediaries") with the understanding whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security, or the like on behalf of the Ultimate Beneficiaries
 - (b) The management has represented that, to the best of its knowledge and belief no funds have been received by the company from any person or entity including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

- (c) Based on such audit procedures considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv(a)) and (iv(b)) above contain any material misstatement.
- v. The Company has neither proposed nor paid any dividend during the year.
- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that, audit trail feature is not enabled at database level as described in Note 36 of the Financial Statements. Further, during the course of performing our procedures, we did not notice any instance of the audit trail feature being tampered with.

Further, the audit trail as enabled and operated as aforesaid, the same has been maintained and preserved by the Company as per the statutory requirements for record retention.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Ashoka Bettadahalli Shivamogga Road Private Limited of even date)

To the best of our knowledge and information, according to the explanations provided to us by the Company, the audit procedures followed by us, and examination of the books of account and records examined by us in the normal course of audit, we state that:

- (i) (a) The Company does not hold any Property, Plant and Equipment or Intangible Assets and therefore clauses 3(i)(a)(A), 3(i)(a)(B), 3(i)(b), 3(i)(c) and 3(i)(d) of the Companies (Auditors Report) Order 2020 are not applicable to the Company.
- (b) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 as amended and rules made thereunder.
- (ii) (a) The company does not hold any Inventory during the year and hence clause 3(ii)(a) of the Companies (Auditors Report) Order 2020 is not applicable to the Company.
- (b) The Company does not have working capital limits and hence clause 3(ii)(b) of the Companies (Auditors Report) Order 2020 is not applicable to the Company.
- (iii) The Company has not made investments in companies, firms, Limited Liability Partnerships. The Company has also not provided guarantee or security or granted loans or advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties hence clause 3(iii)(a), 3(iii)(b), 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Companies (Auditors Report) Order 2020 are not applicable to the Company.
- (iv) The company has not granted any loans, made any investments, provided any guarantees and security and thus the provisions of section 185 and 186 with respect to loans, investments, guarantees, and security given are not applicable to the company hence clause 3(iv) of the Companies (Auditors Report) Order 2020 is not applicable to the Company.
- (v) The Company has not accepted deposits from the public or amounts that are deemed to be deposits pursuant to sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and rules framed thereunder. As informed to us, there is no order that has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other tribunal in respect of the said sections.
- (vi) As informed to us, the maintenance of the cost records under the sub-section (1) of section 148 of the Companies Act, 2013 has been prescribed and we are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, carried out a detailed examination of the records to ascertain

whether they are accurate or complete.

- (vii) (a) The Company has been generally regular in depositing undisputed statutory dues including Goods and Services Act, Provident fund, Employees State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and other statutory dues to the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amount payable in respect of the aforesaid dues were outstanding as at March 31, 2025 for a period of more than six months from the date they became payable.
- (b) There are no statutory dues referred to in sub-clause (b) which have not been deposited on account of any dispute.
- (viii) There are no transactions that were not recorded in the books of account, and which has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix) (a) The company has not delayed in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) We report that the company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The company has received disbursements from existing term loans during the year and has utilized the money obtained for the purposes for which they were obtained.
- (d) On an overall examination of the Financial Statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.
- (e) We report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) We report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- (x) (a) The company has not raised any money by way of initial public offer / further public offer (including debt instruments) during the year and hence clause 3(x)(a) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.
- (b) We report that the Company has not made any preferential allotment / private placement of shares / fully / partly / optionally convertible debentures during the year under review.

- (xi) (a) No fraud by the Company or any fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by us in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government and hence clause 3(xi)(b) of the Companies (Auditors Report) Order 2020 is not applicable to the company.
- (c) No whistle-blower complaints have been received during the year by the company.
- (xii) The Company is not a Nidhi Company and hence clauses 3(xii)(a), 3(xii) (b) and 3(xii)(c) of the Companies (Auditors Report) Order 2020 is not applicable to the Company.
- (xiii) Provisions of Section 177 are not applicable to the Company. All transactions with the related parties are in compliance with 188 of the Companies Act, 2013 in so far as our examination of the proceedings of the meetings of the Board of Directors are concerned. The details of related party transactions have been disclosed in the Financial Statements as required by the applicable Accounting Standards.
- (xiv) (a) The company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the company issued till date, for the period under audit.
- (xv) The company has not entered into any non-cash transactions with its directors or persons connected with its directors.
- (xvi) (a) The nature of business and the activities of the Company are such that the Company is not required to obtain registration under section 45-IA of the Reserve Bank of India Act 1934 and hence sub-clause 3(xvi)(a), 3(xvi)(b) and 3(xvi)(c) of the Companies (Auditors Report) Order, 2020 is not applicable to the company
- b) There are no CICs in the group.
- (xvii) On an examination of the Statement of Profit and Loss account, we are of the opinion that the Company has not incurred cash losses during the current financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly clause (3)(xviii) Companies (Auditors Report) Order 2020 is not applicable to the Company.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Financial Statements, our knowledge of the Board of Directors and management plans and based

on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

(xx) Provision of section 135 of the Companies Act, 2013 is not applicable to the Company and hence clause 3(xx)(a) and 3(xx)(b) are not applicable to the Company.

Annexure - B to the Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Ashoka Bettadahalli Shivamogga Road Private Limited of even date)

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Financial Statements of Ashoka Bettadahalli Shivamogga Road Private Limited ("the Company") as of March 31, 2025, in conjunction with our audit of the Financial Statement of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Natvarlal Vepari & Co LLP

CHARTERED ACCOUNTANTS

(Formerly known as Natvarlal Vepari & Co.)

903-904, 9th Floor, Raheja Chambers, 213, Nariman Point, Mumbai-400 021. Tel: (91) (22) 67527100

E-Mail: nvc@nvc.in LLPIN: ACM-9656

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Financial Statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements.

Because of the inherent limitations of financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note:1 Statement of Material Accounting Policy Information and Other Explanatory Notes**A Corporate profile**

Ashoka Bettadahalli Shivamogga Road Private Limited, the Company, is a Special Purpose Vehicle (SPV) incorporated on April 8, 2019 under the provisions of the Companies Act 2013, in pursuance of the contract with National Highway Authority Limited (NHAI). The Company is in the business of Construction and maintenance of Four laning of Tumkur – Shivamogga section from CH 170+415 km to CH 226+750 Km, Bettadahalli Shivamogga of NH-206 on Hybrid Annuity Mode under Bharatmala Pariyogna in the state of Karnataka, which will be partly financed by the concessionaire who shall recover its investment and costs through payments to be made by the Authority, in accordance with the terms and conditions to be set forth in a concession agreement to be entered into. The said DBOT projects which the Company undertakes are capital intensive and have construction period of 730 days; coupled with longer maintenance periods of 15 years. The construction of the entire project has been sub-contracted to the parent company Ashoka Buildcon Limited as an EPC contractor.

These financial statements can be amended by the board of directors till they are placed before the share holders and also by the share holders before their approval for adoption.

The financial statements were authorised for issue in accordance with a resolution passed at the meeting of the board of directors on May 21, 2025.

B Statement of Compliances

The Financial Statements comply in all material aspects with Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 ("the Act"), the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

C Basis of Preparation, Accounting judgements, estimates and assumptions and Material Accounting Policy Information:**Basis of preparation**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements are presented in INR and all values are rounded to the nearest lacs, except otherwise stated.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The classification of assets and liabilities of the Company is done into current and non-current based on the operating cycle of the business of the Company. The operating cycle of the business of the Company is less than twelve months and therefore all current and non-current classifications are done based on the status of realisability and expected settlement of the respective asset and liability within a period of twelve months from the reporting date as required by Schedule III to the Companies Act, 2013.

Significant accounting judgements, estimates and assumptions

The financial statements require management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of circumstances surrounding the estimates. Changes in estimates are reflected in the financial statement in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements. During the year there were no Significant Judgements other than those stated hereinafter that were required to be exercised in the process of applying the entity's accounting policy and that have an impact on the amounts recognised in the Financial Statements.

Judgements

In the process of applying the company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the separate financial statements.

Financial Asset as per Service Concession Agreement- Contract Asset

The Financial model which allocated / bifurcates Annuity into Operation and Maintenance, Periodic maintenance and finance income is based on the estimates and the judgment of the management at the fair value of the services rendered considering the expected margin and the IRR from the financial asset. Further the Construction timelines are considering various factors such as availability of land from the concessionaire, approvals of Extension of time, the resources allocated by the Company. The timelines are based on the judgement of the Company as to how long the construction work would take place in conjunction with the agreed timelines by the Concessionaire.

D Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

E Material Accounting Policy Information**Summary of Material Accounting Policy Information**

The operating cycle of the business of the Company is twelve months from the reporting date as required by Schedule III to the Companies Act, 2013.

a) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when :

- It is expected to be realised or intended to be sold or consumed in normal operating cycle or
- It is held primarily for the purpose of trading or
- It is expected to be realised within twelve months after the reporting period, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when :

- It is expected to be settled in normal operating cycle or
- It is held primarily for the purpose of trading or
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for atleast twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

b) Revenue Recognition**Accounting for rights under service concession arrangements and revenue recognition****(i) Recognition and measurement**

The Company builds, operates and maintains infrastructure assets under public-to-private Service Concession Arrangements (SCAs), which is an arrangement between the "grantor" (a public sector entity/authority) and the "operator" (a private sector entity) to provide services that give the public access to major economic and social facilities utilizing private-sector funds and expertise. The infrastructures accounted for by the Company as concessions are mainly related to the activities concerning roads.

Concession contracts are public-private agreements for periods specified in the SCAs including the construction, upgradation, restoration of infrastructure and future services associated with the operation and maintenance of assets in the concession period. Revenue recognition, as well as, the main characteristics of these contracts are detailed in Note to Accounts. With respect to service concession arrangements, revenue and costs are allocated between those relating to construction services and those relating to operation & maintenance services and are accounted for separately. Consideration received or receivable is allocated by reference to the relative fair value of services delivered when the amounts are separately identifiable. The infrastructure used in a concession are classified as an intangible asset or a financial asset, depending on the nature of the payment entitlements established in the concession agreement.

When the amount of the arrangement consideration for the provision of public services is substantially fixed by a contract, the Company recognizes revenues from construction services for public facilities (infrastructures) by the percentage-of-completion method and recognizes the consideration as a financial asset and the same is classified as "Receivables against Service Concession Arrangements". The Company accounts for such financial assets at amortized cost, calculates interest income based on the effective interest method and recognizes it in revenue as Finance Income

(ii) Contractual obligation to restore the infrastructure to a specified level of serviceability

The Company has contractual obligations to maintain the infrastructure to a specified level of serviceability or restore the infrastructure to a specified condition during the concession period and/or at the time of hand over to the grantor of the SCA. Such obligations are measured at the best estimate of the expenditure that would be required to settle the obligation at the balance sheet date. In case of concession arrangements under financial asset model, such costs and related revenues are recognized in the period in which such performance are actually completed.

(iii) Borrowing cost related to SCAs

In case of concession arrangement under financial asset model, borrowing costs attributable to construction of the infrastructure are charged to Statement of Profit and Loss in the period in which such costs are incurred.

(iv) Revenue From Operation

Revenue is measured based on the transaction price of the consideration that is specified in a contract with a customer or is expected to be received in exchange for the products or services and excludes amounts collected on behalf of third parties. Revenue is recognised upon transfer of control of promised products or services to customers.

To recognise revenues, the Company applies the following five step approach

- (1) identify the contract with a customer,
- (2) Identify the performance obligations in the contract,
- (3) determine the transaction price,
- (4) allocate the transaction price to the performance obligations in the contract.
- (5) recognize revenues when a performance obligation is satisfied

The revenue is recognised when (or as) the performance obligation is satisfied, which typically occurs when (or as) control over the products or services is transferred to a customer.

Contract modification are accounted for when addition, deletions or changes are approved either to the contract scope or contract price. The accounting for modification of contract involves assessment whether the services added to the existing Contract or distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catchup basis, while those that are distinct are accounted prospectively, either as a separate contract, if the separate service is priced at standalone selling price, or a termination of the existing contract and creation of a new contract if not priced at standalone selling price.

(v) Finance income and other income:

Finance Income from Financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of Income can be measured reliably. The same is computed by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Interest Income from Financial Income is included under Revenue from operations.

c) Financial Asset - Service concession arrangements

When the arrangement has a contractual cashflow or other financial assets from the grantor specifically towards the concession arrangement (in the form of grants) during the construction period or otherwise, such a right to the extent eligible is recorded as Financial Asset in accordance with IND as 109 "Financial Instrument" at amortised cost.

d) Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

e) Taxes**Current Income Tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the country. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

f) Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

For items recognised in OCI or equity, deferred / current tax is also recognised in OCI or equity.

g) Earnings per share

Earnings per share is calculated by dividing the net profit or loss before OCI for the year by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

h) Provisions, Contingent Liabilities and Contingent Assets**i Provisions**

The Company recognizes a provision when: it has a present legal or constructive obligation as a result of past events; it is likely that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognized for future operating losses.

ii Contingent liabilities and Contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Group does not recognise a contingent liability but discloses its existence in the financial statements.

A contingent assets is not recognised unless it becomes virtually certain that an inflow of economic benefits will arise. When an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements. Contingent liabilities and contingent assets are reviewed at each balance sheet date.

i) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits in banks and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within bank borrowings in current liabilities on the balance sheet.

j) Fair Value Measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

k) Financial instruments**1 Financial Assets****(i) Initial recognition and measurement**

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

(ii) Subsequent measurement

For purposes of subsequent measurement financial assets are classified in two broad categories:

- Financial assets at fair value
- Financial assets at amortized cost

Where assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognized in other comprehensive income (i.e. fair value through other comprehensive income).

A financial asset that meets the following two conditions is measured at amortized cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

• **Business model test:** The objective of the Company's business model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes).

• **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at Fair Value through Other Comprehensive Income unless the asset is designated at fair value through profit or loss under the fair value option.

• **Business model test:** The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.

• **Cash flow characteristics test:** The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortized cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases.

All other financial asset is measured at fair value through profit or loss.

All equity investments other than investment on subsidiary, joint venture and associates are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss.

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either:
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

2 Financial liabilities

(i) Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

l) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

m) Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

n) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

o) Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2 Other Financial Asset -Non Current

(₹ In Lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
<i>(Unsecured, considered good at amortised cost)</i>		
Financial Asset as per Service Concession Agreement- Contract Asset (Refer Note 17(i))	33,026.09	16,024.12
Security Deposit	11.26	9.91
Total ::::	33,037.35	16,034.03

3 Other Non Current Asset

(₹ In Lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
Balance with Tax Authority	2,998.71	-
Advance Tax net of provision	196.43	331.97
Total ::::	3,195.14	331.97

4 Trade Receivable -Current

(₹ In Lakh)

Particulars	As at March 31, 2025	As at March 31, 2024
<i>(Unsecured, considered good at amortised cost)</i>		
Trade Receivable - Considered Good	67.35	674.35
Significant Increase in credit risk	0.95	-
Total	68.30	674.35
Less: Impairment Allowance for expected credit loss	0.95	-
Total ::::	67.35	674.35

Expected credit Loss:

The Company applies the expected credit loss (ECL) model for measurement and recognition of impairment losses on trade receivables. The Company follows the simplified approach for recognition of impairment allowance on trade receivables. The application of the simplified approach does not require the Company to track changes in credit risk. Rather, it recognizes impairment allowance based on lifetime ECLs at each reporting date. ECL impairment loss allowance (or reversal) recognized during the period is recognized in the Statement of Profit and Loss. The amount is reflected under the head "Other expenses" in the Statement of Profit and Loss.

I Disclosures as required by Appendix D of Ind AS 115 relating to "Service Concession Arrangements: Disclosures"

(a) Description of the Arrangement along with salient features of the project:

Ashoka Bettadahalli Shivamogga Road Private Limited, the Company, is a Special Purpose Vehicle (SPV) incorporated on April 8, 2019 under the provisions of the Companies Act 2013, in pursuance of the contract with National Highway Authority Limited (NHAI). The Company is in the business of Construction and maintenance of Four laning of Tumkur – Shivamogga section from CH 170+415 km to CH 226+750 Km, Bettadahalli Shivamogga of NH-206 on Hybrid Annuity Mode under Bharatmala Pariyogha in the state of Karnataka, which will be partly financed by the concessionaire who shall recover its investment and costs through payments to be made by the Authority, in accordance with the terms and conditions to be set forth in a concession agreement to be entered into. The said DBOT projects which the Company undertakes are capital intensive and have construction period of 730 days; coupled with longer maintenance periods of 15 years. The construction of the entire project has been sub-contracted to the parent company Ashoka Buildcon Limited as an EPC contractor.

Salient features of the Project :

1. Bid Project Cost as per Concession Agreement(CA) is ₹ 1,22,300 lacs which will be increased by Price Index (subject to any further descope during the construction period).
2. 40% of the Bid project Cost will be paid upfront during the Construction phase based on the completion of stages mentioned in CA.
3. CA also states 10% of the Bid Project Cost will be paid as advance and the same will be recovered from milestone payments.
4. 30 Annuity will be paid as biannual installment .
5. Interest : RBI rate plus 3% will be paid by NHAI
6. O&M revenue is fixed as per CA which will be paid in two installments during the year.

(b) Obligations of Operations and maintenance

The Company is required to carry out operations and maintenance on the road annually with an obligation to carry out periodic maintenance in terms of the Concession at regular intervals.

(c) Changes to the Concession during the period

There is descope of work to the extent of 12.41 kms. During the previous year there was revision in the IE Recommendation based on the observations of NHAI and accordingly the revised IE Recommendation for descope of work stood at Rs. 15,900 lakhs which was pending to be certified by NHAI and the provisional Bid Project Cost stood at Rs. 1,22,300 lakhs. In the current year the IE has further recommended the descope of additional 7.075 kms, revised the recommendation for descope of work to Rs. 31,740.37 lakhs which is yet to be certified by NHAI and hence the revised provisional Bid Project Cost as at March 31, 2025 is Rs. 1,06,459.63 lacs. The Company has Applied Extension of time (EOT) upto 12th July 2025 which is pending for approval at IE level.

(d) Classification of the Concession

The Company has applied the principles enumerated in Appendix C of Ind AS – 115 titled "Service Concession Arrangement" and has classified the arrangement as a Financial Asset resulting in recognition of an Financial Asset. Revenue is recognised during the construction period as revenue from construction services as well as financial income.

(e) Disclosure of Construction services revenue, cost and margin :

The Company is applying INDAS 115 "Service Concession Arrangement" to the aforesaid Hybrid Contract. The revenue of the various activities under the concession agreement is being recognised on the basis of the fair value of the revenue of the respective activity estimated by the concessionaire on the basis of its projections across the following activities i.e., Construction , Operation and Maintenance , Periodic maintenance ; This is different from the revenue stated in the Concession Agreement for each of the activity. Financial Asset will be recognised using Internal Rate of Return (IRR). Finance income on the aforesaid financial Asset will be recognised using IRR and the same will be different than what is mentioned in the Concession Agreement.

The Company has recognised the following Revenue, Cost and margin from construction services.

	(₹ In Lakh)	
Particulars	2024-25	2023-24
Construction Revenue	15,125.88	28,146.90
Construction Cost (including other operational and admin cost)	15,125.88	28,146.90
Margin earned	-	-

II INDAS 115 "Revenue from Contracts with Customers"

1 Disaggregation of Revenue

(₹ in Lakh)		
Particulars	2024-25	2023-24
Construction Revenue	15,125.88	28,146.90
Utility Shifting	2,363.50	1,140.43
Finance Income	5,537.78	4,218.39
	23,027.15	33,505.72

(b) Geographical region

The Company is in the business of Construction and maintenance of Four laning of Tumkur-Shivamogga section from Km 119+790 (Design Km 121+900) to Km 166+100 (Design Km170+415), Banwara to Bettadahalli section of NH-206 on Hybrid Annuity Mode under Bharatmala Priyोजना (Package – III), in the State of Karnataka which is in India.

(c) Market Type

There is only one Customer / grantor to whom the services is provided - National Highway Authority Limited (NHAI).

(d) Type of Contract

Construction:

The Contract is a Hybrid Contract , where the Company will get Bid Project Cost as per Concession Agreement(CA) is ₹ 1,22,300 lakhs (subject to any further descope during the construction period) which will be increased by Price Index . Thus the Contract is a mix of fixed Consideration and variable consideration in the form of Price Inflation Index.

Operation and Maintenance:

The Company will get Fixed Amount of Operation and Maintenance receipts as per the terms of the Concession.

Finance Income:

The Company will get Interest income on Financial Assets after COD date as per the terms of the Concession.

(e) **Contract Duration**

The said DBOT projects have construction period of 730 days from the appointed dated ; coupled with longer maintainance periods of 15 years.

(f) **Timing of transfer of services**

Revenue from Construction activity satisfies the test of over the time and therefore the Revenue from Construction Activity will recognise overtime.

Revenue from Maintainance activity will be recognised overtime.

(g) **Pending Performance Obligation**

The balance performance obligation outstanding as on March 31, 2025 is ₹ 53,106.05 lakhs. Out of which ₹ 10,631.90 lakhs is expected to be completed in next year.

26 Disclosure in accordance with Ind AS – 108 "Operating Segments", of the Companies (Indian Accounting Standards) Rules, 2015.

Segment Information: As the company's business activities falls within a single primary business segment viz. " Infrastructure Development" vide DBOT Hybrid Annuity Project , and it operates in a single geographical segment i.e. India. As such, there is no separate reportable segment under Ind AS - 108 on Operating Segments.

27 Derivative Instruments and Unhedged Foreign Currency Exposure

There are no derivative instruments outstanding as at March 31, 2025 and March 31, 2024.

28 Legal disputes and Contingent liabilities**(₹ In Lakh)**

Particulars	As at FY 2024-25	As at FY 2023-24
Bank Guarantees issued by bankers	4,208.19	4,209.19

29 In the opinion of the Board of Directors, all the assets have value on realisation in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet.

30 Financial instruments

The carrying value and fair value of financial instruments by categories.

(₹ In Lakh)

Particulars	Carrying Value		Fair Value	
	As at 31-Mar-25	As at 31-Mar-24	As at 31-Mar-25	As at 31-Mar-24
Financial assets				
Amortized cost:				
Trade Receivable	67.35	674.36	67.35	674.36
Cash and bank balances	0.42	0.68	0.42	0.68
Other Bank Balances	9.87	909.23	9.87	909.23
Other financial assets	42,589.95	32,217.63	42,589.95	32,217.63
Total Financial Assets	42,667.59	33,801.90	42,667.59	33,801.90
Financial liabilities				
Amortized cost:				
Borrowings	26,758.39	22,173.45	26,758.39	22,173.45
Trade payable	2,618.19	1,216.20	2,618.19	1,216.20
Other Financial Liabilities	21.00	16.00	21.00	16.00
Total Financial Liabilities	29,397.58	23,405.65	29,397.58	23,405.65

The management assessed that fair value of cash and short-term deposits, trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value and amortised value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

31 Fair Value Hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

i) Recognised and measure at fair value

There is no outstanding financial instrument as on March 31, 2025 and March 31, 2024 which are measured at fair value.

The following methods and assumptions were used to estimate the fair values:

- Long-term fixed-rate receivables are evaluated by the Company based on parameters such as interest rates, specific country risk factors, and individual creditworthiness of the customer and the risk characteristics of the financed project. Based on this evaluation, allowances are taken into account for the expected losses of these receivables.
- The fair value of non-current financial liabilities is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities. The valuation requires management to use unobservable inputs in the model, Management regularly assesses a range of reasonably possible alternatives for those significant unobservable inputs and determines their impact on the total fair value.

32 Financial Risk Management

The Company is in the business of Construction and maintenance of Four laning of Tumkur – Shivamogga section from CH 170+415 km to CH 226+750 Km, Bettadahalli Shivamogga of NH-206 on Hybrid Annuity Mode under Bharatmala Pariyogha in the state of Karnataka. The nature of the business is capital intensive and the Company is exposed to interest, WPI and pricing risk. DBOT projects which the Company undertakes are capital intensive and have gestation period of 730 days; coupled with longer maintenance periods of 15 years. Given the nature of the segments in which the company operates, be it in the Road Sector, it is critical to have a robust, effective and agile Risk Management Framework to ensure that the Company's operational objectives are met and continues to deliver sustainable business performance.

The Company's activities expose it to a variety of financial risks: inflation risk, credit risk, liquidity risk, and interest rate risk, regulatory risk and business risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the company is inflation and interest rate risk.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

i Business / Market Risk

Business/ Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The concession consists of constructing a Road and therefore the largest business risk is the timely execution and completion of the project and achieving Commercial Operations Date i.e. the completion milestone. Since the project is on annuity basis, the biggest business risk is ensuring the concession terms are adequately adhered to and the project is completed as per the business plan to ensure cash flow from annuity is recorded on time.

ii Capital and Interest rate Risk:-

Infrastructure projects are typically capital intensive and require high levels of long-term debt financing. These factors include: timing and internal accruals generation; timing and size of the projects awarded; credit availability from banks and financial institutions; the success of its current infrastructure development projects. Besides, there are also several other factors outside its control. As at the Balance Sheet date the Company has not availed loan from lenders and hence average cost of funding cannot be stated. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term and short term borrowing with floating interest rates.

iii Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans ,borrowings and Mobilization Advances Liability and Financial Asset Receivable. With all other variables held constant, the Companies profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase/ Decrease in basis points	Effects on Profit before tax.
Payables		
		(₹ In Lakh)
March 31, 2025	+100	(278.55)
	-100	278.55
March 31, 2024	+100	(256.58)
	-100	256.58
Receivables		
March 31, 2025	+100	425.79
	-100	(425.79)
March 31, 2024	+100	322.08
	-100	(322.08)

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

iv Credit risk:-

The company engaged in infrastructure development and maintenance business on Hybrid Annuity mode Basis (HAM) and currently derive the turnover from Concession Agreement with NHAI. Payments are typically not secured by any form of credit support such as letters of credit, performance guarantees or escrow arrangements. Credit risk is the risk that counterparty will not meet its obligations under a financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks, and other financial instruments

Financial assets that are potentially subject to concentrations of credit risk and failures by counter-parties to discharge their obligations in full or in a timely manner consist principally of cash, cash equivalents and trade and other receivables. Credit risk on cash balances with Bank are limited because the counterparties are entities with acceptable credit ratings. The exposure to credit risk for trade receivable is low as its mainly consist of NHAI and amount is received on timely basis within the credit period.

The exposure to credit risk for trade and other receivables by type of counterparty was as follows :

Financial assets

Particulars	Note Reference	As at March 31, 2025	As at March 31, 2024
Trade receivable	4	67.35	674.35
Cash and cash equivalents (Excluding Cash on Hand)	5 & 6	10.22	909.86
Other Financial Assets	2 & 7	42,589.95	32,217.63

Credit Risk Exposure

The exposure to credit risk for trade and other receivables by type of counterparty was as follows:

Particulars	As at March 31, 2025	As at March 31, 2024
Government Authority (NHAI)	42,578.69	32,207.72
Bank & Financial Institutions	10.22	909.86
Other Financial Assets	78.61	684.26

Reconciliation of Allowances for Expected Credit Loss

Reconciliation of Allowances for Expected Credit Loss on trade receivables:

Allowances for Expected credit loss measured as per simplified approach

Particulars	As at March 31, 2025	As at March 31, 2024
Opening Balance	-	-
Add: Provision made/(reversed) for Allowances for Expected Credit Loss on Receivable	0.95	-
Closing Balance (Refer Note)	0.95	-

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company top management in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the top management on an annual basis, and may be updated throughout the year subject to approval of the Company's board of directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Financial Asset & Trade Receivable

The maximum exposure to the credit risk at the reporting date is primarily from trade receivable (net of impairment provision if any) and contract asset amounts to ₹ 42646.04 lakhs as at March 31, 2025 and ₹ 32,882.08 lakhs as at March 31, 2024. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. In the case of the Company, the customer is NHAI which is a GOI undertaking, and therefore the credit risk is minimal.

v Liquidity risk

Timely completion of the project and receipt of annuity payment on time has a major impact on the liquidity of the company. The delay caused due to the grantor and the timely receipt of compensation from the grantor impacts liquidity of the company.

vi The Working Capital Position of the Company is given below :

Particulars	(₹ In Lakh)	
	As at March 31, 2025	As at March 31, 2024
Trade Receivable	67.35	674.36
Cash and Cash Equivalent	0.42	0.68
Other Bank Balances	9.87	909.23
Other Current Financial Assets	9,552.60	16,183.60
Other Current Assets	2,587.46	5,697.04
Total	12,217.70	23,464.91
Less:		
Trade payables	2,618.19	1,216.20
Other Current Financial Liabilities	21.00	16.00
Other current liabilities	1,579.27	4,124.54
Total	4,218.46	5,356.74
Net Working Capital	7,999.24	18,108.17

The table below provides details regarding the contractual maturities of significant financial liabilities:

Particulars	Less than 1 year	1-5 years	More than 5 years	Total
As at March 31, 2025				
Borrowings	-	9,933.00	17,006.00	26,939.00
Trade payables	2,618.19	-	-	2,618.19
Other financial liabilities	21.00	-	-	21.00
Total	2,639.19	9,933.00	17,006.00	29,578.19
As at March 31, 2024				
Borrowings	-	9,933.00	12,441.00	22,374.00
Trade payables	1,216.20	-	-	1,216.20
Other financial liabilities	16.00	-	-	16.00
Total	1,232.20	9,933.00	12,441.00	23,606.20

vii Input cost risk

Raw materials, such as bitumen, stone aggregates cement and steel, need to be supplied continuously to complete projects undertaken by the group. As mentioned in the earlier paragraph of the business risk and the competition risk the input cost is a major risk to attend to ensure that the Company is able to contain the project cost within the estimate projected to the lenders and the regulators. To mitigate this the company has sub-contracts the construction of the facility at a fixed price contract its Holding Company i.e., Ashoka Buildcon Ltd.

viii Exchange risk

Since the operations of the company are within the country, the company is not exposed to any exchange risk directly. The company also does not take any foreign currency borrowings to fund its project and therefore the exposure directly to exchange rate changes is minimal.

However there are indirect effects on account of exchange risk changes, as the price of bitumen, which is a by-product of the crude, is dependent upon the landed price of crude in the country.

33 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The gearing ratio in the infrastructure business is generally high. The net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents and Other Bank Balances.

Particulars	(₹ In Lakh)	
	As at March 31, 2025	As at March 31, 2024
Gross Debt	26,939.00	22,374.00
Less:		
Cash and Cash Equivalent	0.42	0.68
Other Bank Balances	9.87	909.23
Net debt	26,928.71	21,464.09
Equity including Other Equity	15,176.88	11,108.36
Capital and Net debt	42,105.59	32,572.45
Gearing ratio (Net Debt/ Capital & Net Debt)	0.64	0.66

In order to achieve this overall objective, the Company capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

34 Relationship with Struck off Companies

The information about transaction with struck off Companies (defined under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956) has been determined to the extent such parties have been identified on the basis of the information available with the Company and the same is relied upon by the auditors.

35 Analytical Ratios as per requirements of Schedule III

Ratio	Numerator/ Denominator	Ratio (2024-25)	Ratio (2023-24)	% of Variation	Reason for variance
Current ratio	<u>Current Asset</u> Current Liabilities	2.90	4.38	-33.88%	Overall reduction in current assets on account of Service concession receivable has led to variance
Debt-Equity ratio	<u>Total Debts</u> Shareholders Equity	1.78	2.01	-11.87%

Net profit ratio	<u>Net Profit after Tax</u> Net Sales	7.55%	4.14%	82.16%	Increase in net profit during the CY has led to variance
Return on Capital employed	<u>Earning before interest and taxes</u>	12.49%	12.19%	2.41%	
(ROCE)	Capital Employed				
Return on Investment (ROI)	NA	NA	NA	NA	

36 Audit Trail

The Ministry of Corporate Affairs (MCA) by the Companies (Accounts) Amendment Rules 2021 and vide notification dated 24 March 2021 has issued the "Companies (Audit and Auditors) Amendment Rules, 2021" has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

As required under above rules, the company has used SAP application as accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded and the audit trail feature has not been tampered with. However the audit trail feature was not enabled at the database level for accounting software SAP HANA to log any direct data changes, used for maintenance of all accounting records by the Company. Further the Company has retained the audit log as per the statutory requirement for retention at application level.

37 Figures of the previous period have been regrouped/reclassified wherever necessary including to conform to current period's classification.

38 The balance sheet, statement of profit and loss, cash flow statement, statement of changes in equity, statement of material accounting policy information and the other explanatory notes forms an integral part of the financial statements of the Company for the period ended March 31, 2025.
